pros

- + good looking and detailed pre rendered graphics
- + decent voice acting
- + background music is good
- + puzzles are enjoyable and not too difficult. there are also inventory puzzles you can combine some items.
- + hotspots are marked to make it easy. no need to hunt for pixels.
- + story is intriguing and exciting. you're an FBI agent and investigating some ritualistic murders and there is a recurring pre-Columbian theme in story.
- + game is long

cons

- cut scenes low quality and quite dark.
- there are no Steam achievements
- game doesn't drop cards

Overall this is an decent and typical old school point and click adventure game. i quite enjoyed and recommended!
